

I carry your Name to Bethlehem in the Holy Night

When the monks of Dormition Abbey in Jerusalem walk to Bethlehem in the Holy Night, they will carry a big scroll on which your name will also be listed.

.....

Through this, you will also go on this special pilgrimage in the Holy Night to the crib in Bethlehem, and you will join the great prayer community with the monks. They will bring prayers, thanks and praises to the baby child in the crib – also in your name!

Merry Christmas!
